(815) 343 – 4719

Permanent Address:
1109 Carter St.
Marseilles, IL 61341

EDUCATION

University of Illinois at Urbana-Champaign Expected May 2019
Bachelor of Science in Civil and Environmental Engineering GPA 3.89/4.00

Seneca Township High School May 2015
Valedictorian GPA 4.00/4.00

WORK EXPERIENCE

OSF St. Elizabeth Medical Center - Plant Operations Painter Ottawa, IL - Summer 2014

- Prioritized work orders for painting walls and performing maintenance
- Communicated and collaborated with my department and contractors to complete work orders
- Used problem-solving skills to improve the environment in other departments

Illinois JusticeCorps - AmeriCorps Volunteer Urbana, IL - 2016

- Volunteered 450 hours to assist self-represented litigants with orders of protection and civil proceedings
- Handled confidential information and create reports for the Foreclosure Mediation Program
- Worked effectively with court patrons who may be anxious, stressed, and otherwise challenging

ACTIVITIES

Engineers Without Borders 2015-2016

Malawi Bridge Project

- Building a foot bridge in Malawi, Africa to allow access to schools, hospitals, and other necessities
- Interacting with the community to plan, design, monitor, and to learn about their culture and needs
- Organizing and completing travel documentation, as well as, fundraise and apply for grants for the project

Engineering Council

E-Week Committee - Freshman Representative (2016), Society Competition Co-Chair (2017) 2015-2017

- Managed the lunch program for E-Week (a series of events to celebrate and unite engineering students)
- Created a schedule for members to volunteer to help out working the daily lunch program
- Communicated with local restaurants to negotiate deals to fit the budget
- Organized hosts for events and manage point totals for each team

Engineering Open House (EOH) Committee - Director of Internal Publicity (2017) 2016-2017

- Largest student-run event with exhibits and competitions attended by several thousand visitors
- Communicated with students, professors, and deans in every department to publicize EOH
- Managed the budget for marketing the event on campus

Student Introduction to Engineering (SITE) Committee - Volunteers Co-Chair (2017) 2016-2017

- 3-day program to introduce admitted high school seniors to the university with tours and competitions
- Recruiting volunteers to host approximately 100 visiting high school seniors
- Matching the hosts and students based on majors and interests
- Organizing dinner event to introduce hosts to students

Society Interaction Committee (SIC) - E-week Representative 2016-2017

- Working to increase the involvement of engineering societies on campus
- Uniting societies of different focuses and engineering disciplines

American Society of Civil Engineers - Concrete Canoe Team 2016-2017

- Designing and constructing a lightweight concrete canoe to race at the ASCE Regional Conference
- Mixing and testing different types of lightweight concrete for compression strength
- Communicating among the rowing team to coordinate strokes and turns

HONORS

- UIUC Engineering James Scholar 2015-2016
- UIUC Dean's List (2 Semesters) 2015-2016
- Illinois State Scholar November 2014
- UIUC Illinois Achievement Scholarship March 2015
